I can't approve this! That you will be with a nobody like her!

I-yeah, although I was furious about what you had done before, help me stopping this!!

Henry! Wait! I didn't even accept it!
But you didn't reject it either.
That's because there wasn't time.

Will you... reject me?

It's for the bet you made with Sandalphon, right?
So I'll say no

Don't think it seriously, Sophie

Like you mentioned it before, a little part of it is the bet with Sandalphon.
Whispers

But the other part is that I want to protect you

It doesn't matter if it's not a real relationship I'll be happy if you just insinuate
I'll be by your side to protect you from these guys
If you hadn't ruined everything from the beginning , this wouldn't be happening
That's what I would like to say now
Mmm

Ok Sophie?

Ughh...

F-Fine. I'll do my best...
What a relief

It's ruined. My life is ruined!
